Supply Notification

Carnitor[®] SF (levocarnitine), Sugar-Free Oral Solution (1 g per 10 mL multidose), NDC 54482-148-01

Leadiant Biosciences, Inc. would like to inform you that **Carnitor SF (levocarnitine), Sugar-Free Oral Solution (1 g per 10 mL multidose), is temporarily out of stock.** The supply of **Carnitor SF Oral Solution** will have limited availability by mid to late April, 2017; however, customers will continue to experience delays and should work directly with their local pharmacy.

The regular formulation of Carnitor (levocarnitine) Oral Solution, NDC 54482-145-08, and Carnitor (levocarnitine) Tablets, NDC 54482-144-07, remain available. Carnitor Tablets have 330 mg of levocarnitine per tablet. The tablets are sugar-free, and contain the same amount of levocarnitine as in 3.3 mL (100 mg/mL) of Carnitor Oral Solution/Carnitor SF Oral Solution. Each 118 mL container of Carnitor Oral Solution contains 1 g of levocarnitine/10 mL, which is the same levocarnitine concentration as the sugar-free formulation. Please be aware that Carnitor Oral Solution contains sucrose syrup.

If you have any medical inquiries, please call 866-634-2765 or email Leadiant@tmacmail.com. For ordering inquiries about **Carnitor SF Oral Solution, Carnitor Oral Solution or Carnitor Tablets**, please contact Leadiant Biosciences' Customer Support Center at (888) 276-2217 or email Leadiant@icsconnect.com.
